

ATTENTION COMMUNITY RESIDENTS

Please be a good community resident so that we can enjoy a quality lifestyle together.

Recently it has come to our attention that privileges regarding City Bylaws are being abused.

As parks and green spaces are regarded as public areas we are asking you to treat them as so, and have consideration for others in public multiple use spaces.

If you are a dog owner you should know and abide to the new Animal Control Bylaw 13145 and the Parks Bylaw 2202 which states that your dog must be on leash at all times except for those areas where they are signed otherwise like Parks for Paws - Dogs Off Leash areas.

Areas where dogs are not permitted even on leash are: playgrounds, school sites, park picnic areas, sports fields, golf courses, and most roadways. *A dog can be on leash on any improved or unimproved trail as well, but not off the trail in any of the above mentioned green spaces.

Please be considerate in regards to this issue and be a good community resident. **Please pick up after your dog.**

If you have concerns you can contact Bylaw Enforcement or Parks for Paws - just dial 311
